

2020 June Issue

Call for Manuscripts

Submissions Opening for the 2020 June issue (23rd Issue)

The *LIS, Journal of Languages and International Studies* submission portal opens on **October 1, 2019** for papers aimed at publication in **June 1, 2020**.

The *2020 LIS June Issue* encourages interdisciplinary research, with the primary emphasis being on addressing critical issues and current trends and research in the fields of Computer-assisted Language Learning (CALL) or Technology-enhanced Language Learning (TELL), and Intercultural Communication.

The journal also covers a variety of topics, including:

- Cross-cultural aspects of language learning and teaching
- Curriculum and/or program development for language learning and teaching
- Culturally relevant and culturally responsive teaching
- Differentiated instruction for those engaged in language learning
- Foreign language learning among young learners
- Foreign language learning and assessment
- Psychological issues in language learning
- Social and cultural issues in language learning and teaching
- Bilingual, EFL, and other foreign language learning programs
- International business related studies

Publication Timeline

Publication date: June 1, 2020

Submissions will open for this issue: October 1, 2019

Submissions will close for this issue: February 1, 2020

Submission Guidelines

Interested authors should read the Author Guidelines and a template for submissions for more information. Website: <<http://d012.wzu.edu.tw/category/141706>>

The guidelines and a template for submissions should be followed. Any papers not correctly formatted will be returned by the editors.

The reviewing and publication process is outlined as indicated in the publication timeline above, demonstrating the time it can take for publication. Should the original deadline be missed due to requested revisions, once accepted, your paper will be moved to the next available issue.
