**Notice**

1. According to “Master Degrees Regulations” in our school, there should have at least three committee members presenting in master degrees examination.
2. A perfect score is 100 and the passing mark is 70. Scoring is limited to once.
3. The examination result is determined by the average score from all present members. However, if there are half present members giving fail, the examination is deemed to fail.
4. Prepare the form in duplicate. After passing the examination, have advisor as well as chairperson sign it and send one notification to the department office and the other to registrar section in office of academic affairs to key in the result in one month. Then the assistant will inform the student to conduct school-leaving procedure. If the result is delivered late or any failure to course requirements, the application of school-leaving would be cancelled in the semester.
