

## 2016 Science Education Workshop for High School Teachers (03/10/2016)

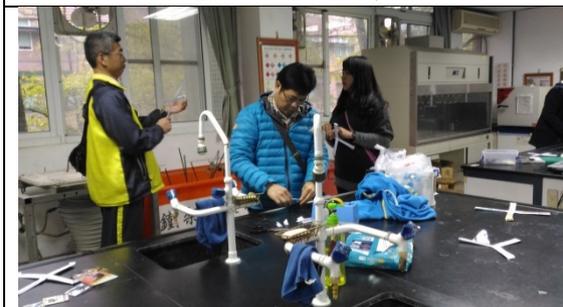

The Science Education Workshop sponsored by the Ministry of Science and Technology was held at the National Chiayi University to help teachers to be familiar with hands-on activities. Scientific activities were demonstrated. Teachers can incorporate these activities in teaching to promote students' interest in learning science.

古國隆主任進行開幕致詞

教師進行科學闖關活動-蛙鳴器之製備

教師進行科學闖關活動-迴力標之製備
