

Course: Selected Readings in Short Essays ( I ) Credit: 2 Hours: 2 Elective

Class: 大學部 四年級 (上)

Instructor: Chen Mao-Jen

I. Target of teaching

Reading the various chapters, students are able to broaden their knowledge horizons and criticize in different point of view. When students read articles, they can judge the right and wrong in the same time. The expectation in this course is to read classical works and understand what meaning hide behind it, and to think independently.
