

ENGLISH SPEAKING FOREIGNERS NEEDED

3 hr visit =

**Chinese Medicine and Chinese Spiritual Life exhibits +
puppet show (Oceania exhibit) +
fish feeding show (Greenhouse)**

National Museum of Natural Science is holding a special activity for English speaking foreigners. In the exhibit areas of Chinese Medicine and Chinese Spiritual Life, we have not only guided tour but also interactive games. In the exhibit of Oceania, the puppet show introduces the stories between Max Liu and indigenous peoples in Papua New Guinea when he was 83 years old. Finally we will visit the Tropical Rainforest Greenhouse to see the fish feeding show and the diverse plants.
