

Faculty Position Announcement
Department of Electrical Engineering
National Chiayi University, Chiayi, Taiwan

The Department of Electrical Engineering at National Chiayi University is the youngest, yet vigorous and promising EE department among Taiwan's Universities. The departmental programs cover Micro-electrics & Systematics and Control, Computing & Communications, and Energy & Material. The department is looking for 2 faculty members with outstanding potential or achievements to join. The applicants are required to meet with the following criteria:

1. A Ph.D. degree or Ph.D. candidacy in related field(s) of Electrical Engineering is required for all positions.
2. The applicants shall demonstrate research interests in the emerging areas, but not limited to, Computing and Communications, SoC /FPGA/Embedded System design, Systematics and Control, Electromagnetics and Electro-optics.
3. The applicants shall be capable of teaching undergraduate and graduate courses in both Chinese and English and are expected to conduct rigorous researches and apply for research funding.

The appointment will start in either 2012/02/01 or 2012/08/01. The level of appointment will be commensurate with the qualifications of the appointee. While all ranks are considered, young scholars with outstanding background/potential and excellent command of English are particularly welcomed.

An application should include:

1. A curriculum vitae with a publication list with indexed journals indicated and the table of publications (http://www.ncyu.edu.tw/ee/content.aspx?site_content_sn=12758);
2. Statements of research & teaching interests/objectives clearly indicating the research area(s) and courses/levels able to teach;
3. A transcript for graduate studies and the photocopies of title and abstract of the Ph. D. Dissertation; (the transcript can be omitted if the applicants demonstrate a full-time academic appointment more than one year by 2012/02/01)
4. Two recommendation letters,

Interested individuals are encouraged to submit applications by post before the deadline of 2011/10/31. Electronic versions of the application materials are preferred. Applications should be addressed to the Chair of the Search Committee: Prof. Chaoming Hsu, Department of Electrical Engineering, National Chiayi University, Chiayi 600, Taiwan. Further inquiries should be addressed to eeeng@mail.ncyu.edu.tw or by calling to +886-5-2717588.
